AMENDMENT

Assistant Commissioner for Patents,  
Washington, D.C.

Sir:

In response to the Office Action of May 23, 2001, please amend the above-referenced U.S.  
patent application as follows:

IN THE CLAIMS:

Kindly amend claim 14 as follows:

1. (Amended) An electronic device comprising:  
a housing, a display, an input device, a microprocessor, a control arrangement device, a  
memory, a power source, at least one interface operable to allow data exchange with at least one  
peripheral device, the data exchange being a receiving and storing of data received from the at least  
one peripheral device, wherein:

said display has dimensions such that one page of a book can be displayed at a normal size;  
said housing is a unitary flat and frame shape and is provided with said display integrated  
therein; and
